**Re: Notice of *Ex Parte* Communication with Chief, Audio Division, Media Bureau  
MB Docket No. 18-119**

Dear Ms. Dortch:

The following meeting summary is submitted pursuant to 47 C.F.R. Section 1.1206(b)(1).

On June 21, 2018, the undersigned, Executive Vice President-Engineering & Systems Integration, iHeartCommunications, Inc., as debtor in possession ("iHeart") spoke with Albert Shuldiner, Chief, Audio Division, Media Bureau. As iHeart is working on a presentation of the locations of listening to FM radio stations based on Nielsen audience data, I asked about the sort of listening data that would be useful to the Commission in connection with its proceeding on the Amendment of Part 74 of the Commission's Rules Regarding FM Translator Interference, MB Docket No. 18-119. Given the effort required to obtain and present such data, I also discussed the possibility of an extension of the comments dates in this proceeding.

Respectfully submitted,

By: /s/ Jeff Littlejohn
